If you choose a supplementary subject in Focus area 2, sufficient German language skills are required. If the higher education entrance qualification was not obtained in Germany, proof of your current level of German proficiency must be attached to this form.

- higher education entrance qualification was obtained in Germany
- higher education entrance qualification was not obtained in Germany. Required documents are attached

I have taken note that the Focus area can be changed twice during the course of study; this also includes changing the supplementary subject in Focus area 2.
